MFJ
Grant Strategies

Services at a Glance

1 Grant Prospecting & Research

Find the federal, state, and foundation funding you are truly eligible for and can win, in one prioritized written report.

Typically: flat-fee project

2 Application Review

A former federal reviewer scores your draft against the panel's real merit criteria and compliance rules before you submit.

Typically: flat-fee project

3 Grant Writing & Proposal Development

Competitive applications built end-to-end, designed, written, and budgeted to the rubric the scoring panel actually uses.

Typically: flat fee per application, or retainer

4 Grant Management & Post-Award

Your fractional grants department: 2 CFR 200 compliance, reporting, project management, and audit readiness through closeout.

Typically: monthly retainer

5 Strategic Advisory & Capacity Building

Funding strategy, internal policy and systems, procurement and grant-management policy, staff training, and cross-cutting compliance.

Typically: project, or hourly for consultation

6 Teaming Partner & Grant Technical Lead

The named grants and compliance expert on your proposal team for federally funded projects and government RFPs.

Typically: hourly or project, per the bid

7 Subaward Review & Selection

Independent review, scoring, and award recommendations for funders and pass-through entities making subawards.

Typically: flat fee per review cycle

★ Start Here — Grant Readiness Assessment

A written evaluation of where your organization stands and what to fix first. The recommended first step, yours to keep.
